## पेट्रोलियम और प्राकृतिक गैस मंत्रालय

नई दिल्ली, 24 मार्च, 2008

का.आ. 675.—केन्द्रीय सरकार को लोकहित में यह आवश्यक प्रतीत होता है कि मुन्ना (गुजरात) से दिल्ली तक पेट्रोलियम उत्पादों के परिवहन के लिए हिन्दुस्तान पेट्रोलियम कॉर्पोरेशन लिमिटेड द्वारा, एक पाइपलाईन बिछाई जानी चाहिए;

और केन्द्रीय सरकार को ऐसी पाइपलाईन बिछाने के प्रयोजन के लिए यह आवश्यक प्रतीत होता है कि ऐसी भूमि में, जो इससे उपाबद्ध अनुसूची में वर्णित है, जिसमें उक्त पाइपलाईन बिछाए जाने का प्रस्ताव है, उपयोग के अधिकार का अर्जन किया जाए;

अतः अब, केन्द्रीय सरकार, पेट्रोलियम और खनिज पाइपलाईन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962

का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, उस भूमि में उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा करती है;

कोई व्यक्ति, जो उक्त अनुसूची में वर्णित भूमि में हितबद्ध है, उस तारीख से जिसको इस अधिसूचना से युक्त भारत के राजपत्र की प्रतियाँ साधारण जनता को उपलब्ध कर दी जाती हैं, इक्कीस दिन के भीतर, भूमि के नीचे पाइपलाईन बिछाए जाने के लिए उसमें उपयोग के अधिकार के अर्जन के सम्बन्ध में, श्री शिवदत्त गौड़, सक्षम प्राधिकारी, मुन्ना-दिल्ली पेट्रोलियम उत्पाद पाइपलाईन, हिन्दुस्तान पेट्रोलियम कॉर्पोरेशन लिमिटेड, डी-7, लालबहादुर नगर (पूर्व) क्लार्क्स आमेर होटल के सामने, जवाहरलाल नेहरू मार्ग, मालवीय नगर, जयपुर-302017 (राजस्थान) को लिखित रूप में आक्षेप भेज सकेगा।

एस. के. चिटकारा, अवर सचिव

New Delhi, the 25th March, 2008

S. O. 677.— Whereas by notification of the government of India in the ministry of Petroleum and Natural gas, published in the Gazette of India vide number S.O. 2240, dated 09<sup>th</sup> August 2007, issued under sub-section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962), (hereinafter referred to as the said Act), the Central Government declared its intention to acquire the right of user in the land specified in the Schedule appended to this notification for the purpose of laying a pipeline for transportation of Petroleum Product from Mundka village in the NCT of Delhi to Tikri Kalan LPG Bottling Plant in the NCT of Delhi by the Indian Oil Corporation Limited.

And, whereas, the copies of the said Gazette notification were made available to the public between 13<sup>th</sup> – 30<sup>th</sup> November 2007;

And, whereas the Competent Authority has under Sub-section (1) of section 6 of the said Act, submitted his report to the Central Government;

And, whereas the Central Government after considering the said report is satisfied that the right of user in the land specified in the schedule appended to this notification should be acquired;

Now, therefore, in exercise of the powers conferred by sub-section (1) of section 6 of the said Act, the Central Government hereby declares that the right of user in the land specified in the schedule appended to this notification is acquired;

And, further in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby directs that the right of user in the said land shall instead of vesting in the Central Government, vest from the date of publication of this declaration, in the Indian Oil Corporation Limited free from all encumbrances.

[F. No. R-25011/5/2007-O.R.-I]  
S.K. CHITKARA, Under Secy.

नई दिल्ली, 27 मार्च, 2008

का. आ. 681.—केन्द्रीय सरकार ने, पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन अधिनियम 1962 (1962 का 50) की धारा 3 की उप-धारा (1) के अधीन जारी, भारत के राजपत्र, तारीख 30-06-2007 में प्रकाशित भारत सरकार के पेट्रोलियम और प्राकृतिक गैस मंत्रालय की अधिसूचना का आ. संख्या 1869 तारीख 27-06-2007 द्वारा उस अधिसूचना से उपाबद्ध अनुसूची तालुका-चित्तूर, जिल्ला चित्तूर, राज्य आन्ध्रप्रदेश चेन्नै पेट्रोलियम कॉर्पोरेशन लिमिटेड, मनाली कि रिफ़ैनेरी से देवनगुट्टि टर्मिनल, बैंगलूर तक पेट्रोलियम उत्पादनों के परिवहन के लिए इंडियन ऑयल कॉर्पोरेशन लिमिटेड, द्वारा पाइपलाइन बिछाने के प्रयोजन के लिए उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा की थी।

और उक्त राजपत्र अधिसूचना की प्रतियां ता. 23-07-07 से जनता को उपलब्ध करा दी गई थी ;  
और सक्षम प्राधिकारी ने उक्त अधिनियम की धारा 6 की उप-धारा (1) के अधीन केन्द्रीय सरकार को रिपोर्ट दे दी है;

और केन्द्रीय सरकार ने उक्त रिपोर्ट पर विचार करने के पश्चात यह समाधान हो गया है कि इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में उपयोग का अधिकार अर्जित किया जाए;

अतः, अब, केन्द्रीय सरकार उक्त अधिनियम की धारा 6 की उप-धारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह घोषणा करती है कि पाइपलाइन बिछाने के लिए इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में उपयोग के अधिकार का अर्जन किया जाता है।

और केन्द्रीय सरकार उक्त अधिनियम की धारा की उपधारा (4) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह निर्देश देती है कि उक्त भूमि में उपयोग का अधिकार केन्द्रीय सरकार में निहित होने के बजाय इंडियन ऑयल कॉर्पोरेशन लिमिटेड में सभी विलगनों से मुक्त होकर प्रकाशन की इस तारीख से निहित होगा।

एस. के. चिटकारा, अवर सचिव

New Delhi, the 27th March, 2008

S. O. 681.—Whereas by the notification of the Government of India, Ministry of Petroleum and Natural Gas Number S.O. 1869 dated 30-06-2007 under sub section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government declared its intention to acquire the Right of User in the land specified in the schedule relating to Mandal Chittoor, District Chittoor, State Andhra Pradesh annexed to that notification for the purpose of laying pipeline for the transportation of Petroleum Product from Refinery of Chennai Petroleum Corporation Limited, Manali to Devanguthi Terminal, Bangalore, by the Indian Oil Corporation Limited.

And whereas, the copies of the said Gazette Notification were made available to the general public on 23-07-2007;

And whereas the Competent Authority has under sub-section (1) of section 6 of the said Act, submitted report to the Central Government;

And whereas, the Central Government after considering the said report is satisfied that Right of User in the land specified in the Schedule appended to this notification should be acquired.

Now, therefore, in exercise of the powers conferred by sub-section (1) of the section 6 of the said Act, the Central Government hereby declares that the Right of User in the land specified in the Schedule annexed to this notification is hereby acquired for laying the pipeline.

And further in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby direct that the Right of User in the said land shall instead of vesting with the Central Government, vests from the date of publication of this declaration to the Indian Oil Corporation Limited free from all encumbrances.

[F. No. R-25011/5/2007-O.R.-I]

S.K. CHITKARA, Under Secy.

नई दिल्ली, 27 मार्च, 2008

का. आ. 682.—केन्द्रीय सरकार पेट्रोलियम और खनिज पाइपलाइन (भूमि में उपयोग के अधिकार का अर्जन अधिनियम 1962 (1962 का 50) की धारा 3 की उप-धारा (1) के अधीन जारी, भारत के राजपत्र, तारीख 30.06.2007 में प्रकाशित भारत सरकार के पेट्रोलियम और प्राकृतिक गैस मंत्रालय की अधिसूचना का आ. संख्या 1870 तारीख 27-06-2007 द्वारा उस अधिसूचना से उपाबद्ध अनुसूची मंडल -यादामारि, जिला चित्तूर, राज्य आन्ध्रप्रदेश में चेन्नै पेट्रोलियम कॉर्पोरेशन लिमिटेड, मनाली की रिफ़ैनेरी से देवनगुडि टर्मिनल, बैंगलूर तक पेट्रोलियम उत्पादों के परिवहन के लिए इंडियन ऑयल कॉर्पोरेशन लिमिटेड, द्वारा पाइपलाइन बिछाने के उपयोग के अधिकार का अर्जन करने के अपने आशय की घोषणा की थी.

और उक्त राजपत्र अधिसूचना की प्रतियां ता. 23-07-07 को जनता को उपलब्ध करा दी गई थी ;

और सक्षम प्राधिकारी ने उक्त अधिनियम की धारा 6 की उप-धारा (1) के अधीन केन्द्रीय सरकार को रिपोर्ट दे दी है;

और केन्द्रीय सरकार का उक्त रिपोर्ट पर विचार करने के पश्चात यह समाधान हो गया है कि इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में उपयोग का अधिकार अर्जित किया जाए;

अतः, अब, केन्द्रीय सरकार उक्त अधिनियम की धारा 6 की उप-धारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह घोषणा करती है कि पाइपलाइन बिछाने के लिए इस अधिसूचना से उपाबद्ध अनुसूची में विनिर्दिष्ट भूमि में उपयोग के अधिकार का अर्जन किया जाता है।

और केन्द्रीय सरकार उक्त अधिनियम की धारा 6 की उपधारा (4) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए यह निर्देश देती है कि उक्त भूमि में उपयोग का अधिकार केन्द्रीय सरकार में निहित होने के बजाय सभी विल्लगमों से मुक्त होकर प्रकाशन की तारीख से इंडियन ऑयल कॉर्पोरेशन लिमिटेड निहित होगा।

एस. के. चिटकारा, अवर सचिव

New Delhi, the 27th March, 2008

S. O. 683.—Whereas by the notification of the Government of India. Ministry of Petroleum and Natural Gas. S.O Number 1863 dated 30-06-2007 under sub section (1) of section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in Land) Act, 1962 (50 of 1962) the Central Government declared its intention to acquire the Right Of User in the land specified in the schedule relating to Mandal Bangarupalem Dist. Chittoor, State Andhra Pradesh annexed to that notification for the purpose of laying pipeline for the transportation of Petroleum Product from Refinery of Chennai Petroleum Corporation Limited, Manali to Devanguthi Terminal, Bangalore, by the Indian Oil Corporation Limited.

And whereas, the copies of the said Gazette Notification were made available to the general public on 23-07-2007;

And whereas, the Competent Authority has under sub-section (1) of section 6 of the said Act, submitted report to the Central Government;

And whereas, the Central Government after considering the said report is satisfied that Right Of User in the land specified in the Schedule appended to this notification should be acquired.

Now, therefore, in exercise of the powers conferred by sub-section (1) of the section 6 of the said Act, the Central Government hereby declares that the Right Of User in the land specified in the Schedule annexed to this notification is hereby acquired for laying the pipeline.

And further in exercise of the powers conferred by sub-section (4) of section 6 of the said Act, the Central Government hereby direct that the Right Of User in the said land shall instead of vesting in the Central Government, vests from the date of publication of this declaration in the Indian Oil Corporation Limited free from all encumbrances.

**AND**

The Director,  
Indian Institute of Pulse Research

**AWARD**

1. The Central Government, MOL, New Delhi, vide notification No.L-42012/229/2001-IR (CM-II) dated 15-7-2002 has referred the following dispute for adjudication to this tribunal :

“Whether the action of the management of Indian Institute of Pulse Research Kalyanpur, Kanpur, in terminating the employment of Smt. Raj Kumari W/o Sri Santosh working as Contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not to what relief the worker is entitled to?”

2. The case of the workman in short is that the worker has been employed to perform the work of permanent

nature under the premises of the opposite party on. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that he was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officers of the Management.

The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that he rendered continuous service of 240 days of till she was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provisions of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but he was not afforded any opportunity of his reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated and in the service with the bak wages, consequently benefifits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to supervise the work of the workman. It is also denied that the exist any valid Industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity what soever nor he was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the opposite party is competent to make appointment dehoring recruitment rules. Since the workman was never in the employment, question of terminating his services from any date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the

workman but on each occasion on one pretext or the other he sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that he had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate Government in this context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is the own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that he was working much before the introduction of the alleged contractor of which he is alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that he was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within definition of the workman as given under the Act. If it is so rest issues become infructuous as raised by the alleged workman in his statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoing that the instant case is not a valid industrial dispute as the claimant has palpably failed to establish that he ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid his wages by the opposite party or his services have ever been terminated by the opposite party. Therefore, question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled

for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

#### AWARD

1. Central Government, MOL, New Delhi, vide Notification No. L-42012/238/2001-IR(CM-II) dated 17-7-2002 has referred the following dispute for adjudication to this tribunal—

Whether the action of the management of Indian Institute of Pulse Research, Kalyanpur, Kanpur, in terminating the employment of Sri Shrawan Kumar S/o Beta Lal working as contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not to what relief the worker is entitled to?

2. The case of the workman in short is that the worker has been employed to perform the work of permanent nature under the premises of the opposite party. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that he was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officer of the Management. The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that he rendered continuous service of 240 days or till he was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provision of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but he was not afforded any opportunity of his reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated in the service with full back wages, consequential benefits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to supervise the work of the workman. It is also denied that there exist any valid industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity whatsoever nor he was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the

opposite party is competent to make appointment de hors recruitment rules. Since the workman was never in the employment, question of terminating his services from any date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the workman but on each occasion on one pretext or the other he sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that he had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate government in the context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is the own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that he was working much before the introduction of the alleged contractor of which he is alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that he was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within the definition of the workman as given under the Act. If it is so rest issues become infructuous as raised by the alleged workman in his statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoing that the instant case is not a valid industrial dispute as the claimant has palpably failed to establish that he ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid his wages by the opposite party or his services have ever been terminated by the opposite party. Therefore, question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

**AWARD**

The Ministry of Labour by its letter No.L- 12012/221/ 2005 IR (B-I) IR-(M) Central Government dt.26-06-2006 has referred the following point for adjudication. The point runs as hereunder:—

“Whether the action of the management of State Bank of India in dismissal from the service of Sh.R.L. Trikha, Clerk-cum-Cashier w.e.f. 26-08-2004 is just and legal? If not, to what relief the workman is entitled to?”

The workman-applicant has filed claim statement. In the claim-statement it has been stated that the workman joined bank service as Clerk-cum-Cashier in the permanent capacity on 20-09-1980 at Chandigarh LHO and later on transferred to Faridabad Branch and posted at CRI, Faridabad Branch at the material time of the said case.

That the workman was placed under suspension for certain alleged charges on 25-09-1995.

That the management also filed an FIR with the Police after one year of the alleged incident. The police did not take any action against the workman as there was not financial loss to the bank.

That the management issued a charge-sheet to the workman vide memo dated 19-06-1998. The workman denied the charges as these were false and baseless.

That the management appointed one Shri Rahul Sharma, AGM as Inquiry Officer. That the workman was not the member of the recognized union of the bank.

That the Inquiry Officer has been insisting the workman that he should himself represented in the inquiry by a leader of the recognized union of SBI. The leaders of the recognized union were enmical towards the workman due to trade union rivalry, therefore, they refused to represent the workman but still the Inquiry Officer as well as the management had been repeatedly insisting that the workman can only be permitted to be represented by a leader of the recognized union which was most unfair approach.

That the workman somehow persuaded Shri V.K. Malik, employee of Sarai Khawaja Branch and a leader of NCBE to represent him in the inquiry who after attending

the inquiry on two-three dates, withdrew himself. He told that he cannot defend the workman as the leaders of recognized union have objected and directed him not to represent the workman.

That as the workman has been the member of All India Bank Staff Association, since long which is a registered union of Bank employees and Shri J.N. Kapoor and Shri J.K. Sawhney are its General Secretary and Dy. General Secretary respectively.

That in terms of Para 521 [10(a)] of the Sastry Award an employee may be permitted to be defended by a representative of a registered union of the bank employees or with the permission of the bank by a lawyer.

That the workman submitted a representation to the Inquiry Officer vide his letter dated 15-03-2000 requesting him to be represented by Shri J.K. Sawhney, Dy. General Secretary of All India Bank Staff Association which is a registered union of the bank employees of which the workman is a member.

That the workman again represented vide his letter dated 24-03-2000 to the Inquiry Officer that in case the bank is not permitting him to be represented by a representative of registered union of bank employees then he should be permitted to be defended by Shri Ashok Mehra, Assistant, SBI, Service Branch, New Delhi which request was made on the instructions of the Inquiry officer by the workman but the said letter was not replied.

That the workman again wrote a letter to the Disciplinary Authority (Asstt. General Manager, Region-V) on 01-04-2000 complaining against the Inquiry Officer that he is denying fair and reasonable opportunity to the workman to represent himself in the inquiry through representative of his choice.

That the workman again wrote a letter dated 01-05-2000 in this regard to the Disciplinary Authority (Asstt. General Manager, Region-V).

That the workman again represented in this regard to Shri Rahul Sharma, Inquiry Officer vide his letter dated 31-05-2000.

That the workman again represented in this regard to the Inquiry Officer vide his letter dated 17-07-2000.

That the workman also represented in this regard to the Disciplinary Authority (Asstt. General Manager, Region-V) vide his letter dated 29-07-2000.

That all the above letters were neither responded nor any decision was taken. The Inquiry Officer illegally held the ex-parte inquiry without providing the workman the right of representation through the representative of his choice as per provisions of the Sastry Award.

Now based on the said illegal ex-parte inquiry held against the provisions of Sastry Award, the Disciplinary Authority (Asstt. General Manager, Region-V) has tentatively decided to dismiss the workman from the bank service which action on his part is illegal and malafide.

The workman prayed the Asstt. General Manager, Region—V, SBI, Delhi Zonal Office not to pass the dismissal order until the issue of representation in the inquiry is decided by your goodself.

That the management denied the workman fair and reasonable opportunity to defend himself in the inquiry and they thus violated the principles of natural justice and legal provisions of Sastry Award in this regard.

That the inquiry officer held ex-parte inquiry which was illegal, unfair and unjustified.

That as per rules, the workman was entitled to full wages after expiry of one year from the date of suspension i.e. 25-09-1995, but the same were not paid to him despite repeated requests, with a view to harass and victimize him.

That the workman raised an industrial dispute in regard to non-payment of full wages before your honour through the General Secretary of his union i.e. All India Bank Staff Association vide their letter dated 15-04-2004, on the basis of which the management released full wages w.e.f. 15-09-1996.

That after the release of full wages from back date as per settlement dated 06-05-2004, referred to in para 23 above the Asstt. General Manager, Region-V dismissed the workman vide his letter dated 26-08-2004 without providing him fair and reasonable opportunity to defend himself.

That the workman filed an appeal before the Appellate Authority i.e. Dy. General Manager, SBI, Delhi Zonal Office- II, New Delhi vide his letter dated 04-10-2004

That the Appellate Authority acted mechanically and did not decide the appeal judiciously. The appeal was dealt with by him in a casual and sham show manners. The issues raised by the workman in his appeal were neither dealt with nor disposed of by him. He summarily rejected his appeal vide his order dated 31-03-2005 delivered to the workman on 20-04-2005.

That ex-parte inquiry proceedings, personal hearing and appeal in this case were sham show. No fair and reasonable opportunity was granted to the workman by the management in this case at any stage. No criminal case was proceeded against the workman by the police on the basis of FIR filed by the bank. No financial loss was caused to the bank. No legal documentary as well as oral evidence was produced by the management to prove the charges. Findings of the inquiry were based on ex-parte inquiry and without any evidence and as such perverse. Principles of natural justice were violated. The workman was illegally dismissed.

That in view of the facts stated above the action of the management to dismiss the workman is illegal, unfair and unjustified and amounts to victimization and unfair labour practice.

The management has filed reply. In the reply it has been stated that the dispute raised by the workman is

frivolous and baseless and deserves rejection. The workman was issued a charge sheet dated 04-04-1997 which was amended vide charge sheet dated 19-06-1998, for serious acts of misconducts involving financial irregularities committed by him in connection with discharge of his duties with the bank. The workman failed to submit any reply to the charges levelled against him and therefore, the management decided to conduct a domestic inquiry in the matter. The workman was given enough opportunity to defend the charges levelled against him and the inquiry was conducted in accordance with the principles of natural justice. The workman was found guilty of the charges levelled against him and a copy of the report of the inquiry officer was forwarded to the workman along with a letter of the management dated 14-07-2003. On the basis of the report of the Inquiry Officer the Disciplinary Authority of the management bank took a tentative decision to dismiss the workman from the services of the bank without notice. This tentative decision was communicated to the workman vide letter dated 18-08-2003 and the workman was given an opportunity for personal hearing. The management granted opportunity to the workman for a personal hearing on 14-03-2003, 27-10-2003 & 27-07-2004 but the workman failed to avail the same. Therefore, the workman was dismissed from service on 09-09-2004 vide letter No. DZO-I/R-V/1001 dated 26-08-2004. The workman preferred an appeal against the decision of the disciplinary authority but as the charges levelled and proved against the workman were of grave and serious nature, therefore, vide order dated 31-03-2005 of the Appellate Authority, the appeal of the workman was also dismissed. Since the workman was dismissed from service on the basis of a disciplinary inquiry in the charges of serious misconduct including financial irregularities, the management lost confidence in him. The management being a banking organization could not retain such dishonest people in service as the reputation of the whole banking business was at stake. Therefore, it is humbly submitted that the action taken by the management in dismissing the workman from service is fully legal and justified and does not deserve to be interfered by this Hon'ble Tribunal. The management relies upon the record of the inquiry proceedings in this regard.

However, without prejudice to the contention of the management that the inquiry conducted against the workman was fair and proper and in accordance with the principles of natural justice, if this Tribunal arrives at a finding that there was some defect in the inquiry and thus it stands vitiated, the management be provided opportunity to lead evidence before this Tribunal in order to prove the misconduct of the workman.

That it is stated as the workman committed fraud in connection with discharge of his official duties, the management lodged the report with the police. However, it is denied that no financial loss was caused to the management. It is further stated that the management was

not in a position to direct the investigation or to take any penal action against the workman as that was the prerogative of the law enforcement agency i.e. the police and, therefore, no reply is submitted in respect of outcome of the report lodged by the management in this respect.

It is denied that the Inquiry Officer insisted upon any particular mode of representation by the workman. The true facts are that between the period 20-06-1998 to 21-01-2000, the workman was represented before the Inquiry Officer by one V. K. Malik, Secretary of the SBI Staff Association. However, during the course of inquiry the workman expressed his desire to be represented by one Sh. J.K. Sawhney of All India Bank Staff Association. However, the request of the workman was not allowed as in accordance with para 12(a)(i)(X) of the 7th Bipartite Settlement which was applicable in this case, an employee could be represented only through a representative of a registered trade union of which he is a member on the date first notified for the commencement of the inquiry. As in this case on the 1st date notified for commencement of the inquiry was 10-06-1998 and on that date the workman was not a member of this All India Bank Staff Association, his request was not allowed. It is totally wrong and hence denied that the leaders of the recognized union were inimical towards the workman as alleged. It is denied that the approach of the management was unfair as the management acted in accordance with the rules and regulations binding upon both the parties and, therefore, the allegation of the workman in this regard is baseless.

That however, the applicant had not mentioned as to from which date he is a member of All India Bank Staff Association. The applicant be put to the strict proof of the averments that he was a member of the All India Bank Staff Association on the date of commencement of inquiry i.e. 10-09-1998.

That the claim relate to the representations allegedly made by workman. They being a matter of record need no reply. However the workman be put to strict proof regarding their contents and their receipt by the management. It is denied that the management did not reply the representations of the workman. It is submitted that the management relied to the representations received by it.

It is submitted that the allegations against the fairness of the inquiry are totally baseless and against the record. The workman was given more than fair opportunity to defend himself before the inquiry officer but he got himself defended also, however later on, he intentionally did not attend the inquiry in order to gain time. It is denied that the management violated the provisions of the Sastry Award. The workman be put to the strict proof of the allegations made in this respect. The principles of natural justice were properly followed in the case.

That the issue regarding lesser payment of the subsistence allowance stands settled between the management and the workman vide settlement dated 06-05-2004

entered between the Conciliation Officer, Faridabad and therefore, the same cannot be agitated again before this Tribunal.

The workman applicant has filed rejoinder. In the rejoinder he has reiterated the averments of his claim statement and has denied most of the paras of the written statement. The management has also denied most of the paras of the claim statement.

Evidence of both the parties has been taken.

Heard argument from both the sides and perused the papers on the record.

It was submitted from the side of the workman that he was suspended by the respondent bank on 25-09-1995. Charge-sheet was served on him on 04-04-1997. It was modified on 19-06-1998. The respondent bank deprived the workman of suspension wages amounting to Rs. 7 thousand per month for long 8 years. The management unduly delayed the disciplinary proceedings for about 10 years. The charges against the workman were arbitrarily proved by the biased Inquiry Officer in ex-parte inquiry without any evidence and records. It was a case of no evidence. No opportunity to the workman was given to defend himself.

It was further submitted that the workman engaged Sh. B.K. Malik, Secretary, SBI Staff Association as his defence representative but he subsequently withdrew from the inquiry proceeding under undue pressure. The workman sought permission for representation by Sh. J.K. Sawhney of All India Bank Association. The Inquiry denied having engaged the workman in the employment Officer refused to permit Sh. J.K. Sawhney as DR of the workman and concluded the proceedings ex-parte.

It was further submitted that the workman was a member of the All India Bank Staff Association. Sh. B.K. Malik to represent the workman as the leaders of the recognized union objected to it and directed him not to represent the workman.

It was submitted from the side of the management that the inquiry is fair. Sufficient opportunity has been given to the workman to cross-examine the witness and to defend his case. He opted not to cross-examine the witnesses. Sh. J.K. Sawhney was not permitted to represent the case of the workman as the workman was not a member of the union.

As per the 7th BPS the workman may be permitted DR of a union which is registered and recognized by the bank and of which the workman is a member. The workman was not the member of All India Bank Association, so Sh. J.K. Sawhney was not permitted as DR of the workman.

It has been provided in 521(10) A, Sastry Award as under:—

"He shall also be permitted to be defended by a representative of a registered union of bank employees or with the bank's permission by a lawyer."

According to this provision the workman has every right to get himself defended by a representative of a registered union or bank's employees or by a lawyer with the permission of the bank. The workman requested the bank to permit him to be represented by Sh. J.K. Sawhney of All India Bank Association but he was refused. In the circumstances the bank did not provide him any defence representative. It is admitted case even of the bank that the Inquiry Officer has proceeded ex-parte and he has given his finding on ex-parte evidence of the witnesses.

It is admitted case that the workman was not paid full salary after one year of suspension. The workman was suspended on 25-9-1995. He was entitled to full wages after one year of suspension i.e. 25-9-1996 in case delay cannot be attributed to his own conduct. It was nowhere been mentioned that delay in the inquiry proceeding was due to the workman himself. Charge-sheet was served on the workman after two years and the same was modified after one year. The workman was paid full wages on 6-5-2004 by way of settlement before the Conciliation Officer. The workman was entitled for full wages from 25-9-1996 whereas the same was paid to him on 06-5-2004. Such conduct reflects prejudices of the management.

The workman was not permitted to engage DR either of his choice or of the choice of the management. It cannot be said that he intended or admitted to stultify the inquiry and his attitude was of complete non-co-operation.

As per the provisions of the Sastry Award referred to above, the management even can permit a lawyer as DR of the workman.

In the instant case the workman has not been permitted to engage any DR. The Inquiry Officer has concluded the inquiry ex-parte. Delay caused by the management in disciplinary proceeding reflects the malafide intention of the management. The management should have offered names for DR to the workman. They have not done so. The Inquiry Officer has hastily concluded the inquiry ex-parte. Principle of natural justice have not been followed.

The inquiry is not merely an empty formality, it should be concluded after the cross-examination of the management witness and the workman should also have been permitted to examine his own witnesses. Principles of natural justice have been violated. The inquiry stands vitiated. The action of the management is thus, arbitrary and illegal.

The management however, may re-open the inquiry after following the procedures laid down in this behalf.

The reference is replied thus:—

The action of the management of State Bank of India in dismissal from the service of Sh. R.L. Trikha, Clerk-cum-Cashier w.e.f. 26-8-2004 is neither just nor legal. The

workman is entitled to be reinstated with full back wages, continuity of service and all the consequential benefits within two months from the date of the publication of the award.

The award is given accordingly.

**ORDER**

1. By filing this complaint under Section 33 A of the Industrial Dispute Act the complainant has stated that, he was working with the opponent since last 25 years as C-Grade permanent workman. His service record is clean and unblemish. The complainant was General Secretary of opponent Valsad Distt. Co-operative Bank Employees Union. The complainant stated that, during the operation of the award passed by the Industrial Tribunal, Surat in Ref. (IT) 81/87, the opponent has transfer the services of the members of the Union and hence the present complaint. The complainant stated that, with a view to stop the union activities, the Management has passed the mass transfer orders on 10-6-2002 against the transfer policy decided in Ref. (ITC) 81/87. The complainant union has by filing this complaint, prayed that opponent be directed to withdraw the said transfer orders dated 10-6-2002 and further prayed do not to execute the same. It is clear prayed to direct opponent not to transfer during the pendency of the conciliation before Labour Court, Vadodara. Accord to him, opponent can not transfer without since he has raised the dispute and it is pending for consideration before Asstt. Labour Commissioner (Central) Vadodara.

2. Opponent objected this by filing reply at Ex. 10 saying that, complainant can not challenge the transfer. Since it was just and proper transfer. Transfer was best solution, which is also right of the employer. Beside it is contended by opponent that, this court has no jurisdiction to try the subject matter of transfer.

3. Matter is pleased before me on the basis of last Roznama dated 15-6-2006 written that P.O. stating that, complaint is not tenable. If is not objected on oath.

4. Perused the proceeding and the (taken by the) contention complaint and contention taken in reply of the employer. Other 5 matters are pending before this Tribunal to decide the point of jurisdiction.

5. The recent judgement published in page no. 160/ 2007 II C.L.R. Bharat Co-operative Bank (Mumbai) Limited V/s. Co-operative Bank Employees Union whether it is observed that, in case of co-operative bank, Central Government is not a appropriate Government. It is stated that, to entertain the grievances of the co-operative bank and in the light of the observation made by the Apex Court when it is observed that, Central Government is not a appropriate Government now appropriate government will be State Govt. of Gujarat. When it is subject matter of the Co-operative Banks and its employee which is within the jurisdiction of State Government and with State Tribunal Gujarat. This Tribunal has no jurisdiction to consider the grievances of the employees of co-operative banks.

6. Considering this I direct complainant to withdraw the complaint and filed it before State Tribunal Gujarat who has jurisdiction over the subject matter. Hence the order:

**AWARD**

1. Central Government, MOL, New Delhi, vide Notification No. L-42012/232/2001-IR(CM-II) dated 17-7-2002 has referred the following dispute for adjudication to this tribunal—

Whether the action of the management of Indian Institute of Pulse Research, Kalyanpur, Kanpur, in terminating the employment of Sri Veerendra Kumar

S/o Collector Lal working as contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not to what relief the worker is entitled to?

2. The case of the workman in short is that the worker has been employed to perform the work of permanent nature under the premises of the opposite party. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that he was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officers, of the Management.

The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that he rendered continuous service of 240 days of till he was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provisions of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but he was not afforded any opportunity of his reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated in the service with full back wages, consequential benefits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to superwise the work of the workman. It is also denied that there exist any valid industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity whatsoever nor he was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the opposite party is competent to make appointment dehorng recruitment rules. Since the workman was never in the employment, question of terminating his services from any date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the workman but on each occasion on one pretext or the other he sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that he had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate Government in this context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is the own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that he was working much before the introduction of the alleged contractor of which he is alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that he was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within definition of the workman as given under the Act. If it is so rest issues become infructuous as raised by the alleged workman in his statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoing that the instant case is not a valid industrial dispute as the claimant has palpably failed to establish that he ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid his wages by the opposite party or his services have ever been terminated by the opposite party. Therefore,

question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

#### AWARD

1. Central Government, MOL, New Delhi, vide Notification No. L-42012/241/2001-IR(CM-II) dated

17-7-2002 has referred the following dispute for adjudication to this tribunal—

Whether the action of the management of Indian Institute of Pulse Research Kalyanpur, Kanpur, in terminating the employment of Sri Dayal S/o Sri Ram Charan working as Contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not to what relief the worker is entitled to?

2. The case of the workman in short is that the worker has been employed to perform the work of permanent nature under the premises of the opposite party on. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that he was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officer of the Management. The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that he rendered continuous service of 240 days of till he was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provisions of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but he was not afforded any opportunity of his reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated in the service with full back wages, consequential benefits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to supervise the work of the workman. It is also denied that there exist any valid industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity whatsoever nor he was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the opposite party is competent to make appointment defying recruitment rules. Since the workman was never in the employment, question of terminating his services from any

date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the workman but on each occasion on one pretext or the other he sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that he had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate Government in this context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is the own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that he was working much before the introduction of the alleged contractor of which he is alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that he was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within the definition of the workman as given under the Act. If it is so rest issues become infructuous as raised by the alleged workman in his statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoing that the instant case is not a valid industrial dispute as the

claimant has palpably failed to establish that he ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid his wages by the opposite party or his services have ever been terminated by the opposite party. Therefore, question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

Sadhana W/o Sri Chhotey Lal working as Contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not to what relief the worker is entitled to?

2. The case of the workman in short is that the worker has been employed to perform the work of permanent nature under the premises of the opposite party. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that she was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officers of the Management. The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that she rendered continuous service of 240 days of till she was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provisions of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but she was not afforded any opportunity of her reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated in the service with full back wages, consequential benefits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was

ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to supervise the work of the workman. It is also denied that there exist any valid industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity whatsoever nor she was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the opposite party is competent to make appointment dehorng recruitment rules. Since the workman was never in the employment, question of terminating her services from any date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the workman but on each occasion on one pretext or the other she sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that she had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate government in this context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is her own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that she was working much before the introduction of the alleged contractor of which she is alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that she was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within the definition of the workman as given under the Act. If it is so rest issues becomes infructuous as raised by the alleged workman in her statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoing that the instant case is not a valid industrial dispute as the claimant has palpably failed to establish that she ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid her wages by the opposite party or her services have ever been terminated by the opposite party. Therefore, question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

The product of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that he rendered continuous service of 240 days of till he was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provision of Industrial Disputes Act, 1947. Several fresh hands were inducted by the opposite party but he was not afforded any opportunity of his reemployment. Opposite party has also violated the provisions of rules of natural and social justice by not regularising him in the service. On the basis of above it has been prayed that the workman may be reinstated in the service with full back wages, consequential benefits and seniority.

3. The opposite party has filed reply wherein it has been denied by the opposite party that there exist any relationship of employer and employee between the contesting parties. The workman never remained in direct employment of the opposite party nor the workman was ever paid wages by the opposite party directly. In fact they were the employees of the contractor who used to superwise the work of the workman. It is also denied that there exist any valid industrial dispute. Workman is not a workman as defined under I.D. Act, nor the opposite party is an industry. Management has emphatically denied having engaged the workman in the employment in any capacity whatsoever nor he was ever issued any appointment letter by the opposite party. It has also been pleaded that for giving regular and permanent employment, there is prescribed recruitment rules and no authority of the opposite party is competent to make appointment dehorning recruitment rules. Since the workman was never in the employment, question of terminating his services from any date does not arise. Moreover, provisions of Industrial Disputes Act are also not applicable to the workman. On the basis of above, it has been prayed that the claim of the workman be rejected being devoid of merit, baseless and misleading.

4. After exchange of pleadings between the parties the contesting parties adduced oral as well as documentary evidence in support of their respective case.

5. A bare perusal of the record would go to show that in the instant case repeated dates for hearing arguments were granted by the tribunal to the representative for the workman but on each occasion on one pretext or the other he sought adjournments and avoided to conclude the case. Today is further date fixed in the case for hearing arguments in the case. Case was called upon repeatedly in open court but the representative for the workman found absent. After the orders on the order sheet were recorded the representative for the workman came before the tribunal and submitted that he had sent certain application for transfer of the case but a perusal of the record show that no such application is available on the record. There is also no order received from the appropriate government in the context. Therefore, the tribunal is not inclined to believe the contention of the authorised representative for the workman, and therefore, the same is rejected. Having considered the long duration of the pendency of the instant case the tribunal also rejected the adjournment application and the arguments in the case were heard today i.e. on 7-1-08.

6. Tribunal has considered the arguments advanced in the case at length and have also gone carefully through the case file. It is their own case that the workman was made the employee of the contractor and it is the contractor who used to make payment of wages. The contention of the workman to the effect that he was working much before the introduction of the alleged contractor of which he is

alleged to be the employee cannot be accepted by the Tribunal as no documentary evidence is available on the record of the case to substantiate the claim of the workman that he was in the employment of the opposite party much before the induction of the alleged contractor.

7. The arguments of the opposite party appears to be sound that there exist no relationship of master and servant between them and the so called workman, therefore, there appears no valid industrial dispute between the contesting parties. In the absence any cogent evidence in support of the claim of the workman, it is concluded that there never existed any relationship of master and servant between the parties and therefore, the alleged workman cannot be held to be a workman within definition of the workman as given under the Act. If it is so rest issues becomes infructuous as raised by the alleged workman in his statement of claim and therefore, need no consideration.

8. In the end it is concluded for the foregoings that the instant case is not a valid industrial dispute as the claimant has palpably failed to establish that he ever remained in active employment of the opposite party or that he was ever issued any appointment letter, or he was ever paid his wages by the opposite party or his services have ever been terminated by the opposite party. Therefore, question of breach of provisions of the Industrial Disputes Act, 1947, by the opposite party does not arise.

9. For the reasons discussed above, it is held that since instant case is not a valid industrial dispute between the parties, alleged claimant cannot be held to be entitled for any relief as claimed by him. Reference is therefore, answered accordingly against the claimant and in favour of the opposite party.

## AWARD

1. The Central Government, MOL, New Delhi, vide Notification No. L-42012/227/2001-IR(CM-II) dated 15-7-2002 has referred the following dispute for adjudication to this tribunal :—

Whether the action of the management of Indian Institute of Pulse Research, Kalyanpur, Kanpur, in terminating the employment of Smt. Sadhna w/o Sri Ram Prasad working as Contract worker allegedly under direct supervision of the management w.e.f. 26-8-98 legal and justified? If not, to what relief the worker is entitled to?

2. The case of the workman in short is that the worker has been employed to perform the work of permanent nature under the premises of the opposite party. It is also pleaded that the workman was paid wages at the end of the month by the opposite party as approved by the Central Government, at the minimum of the rate. It is also pleaded by the workman that with a view to avoid statutory dues, the opposite party attached the workman with a licenced contractor. It has also been pleaded by the workman that she was continuing in the services from before the induction of Contractor. Workman is employee of the opposite party. Workman performed the work connected with agriculture and the attendance of the workman was used to be marked by the officer of the Management. The production of the opposite party was also used to be sold out to the customers. It has also been pleaded by the workman that she rendered continuous service of 240 days of till she was removed from the service of the opposite party w.e.f. 26-8-98 in gross violation of provisions of Industrial Disputes Act, 1947. I. D. No. 132 of 2005

In the matter of:—

Shri Chakkar Bahadur,  
C/o Shri Murli-Kumar  
627, Gali No. 1, Bhawani Enclave,  
Basai Road, Gurgaon (Haryana)

Versus

The Dy. Director,

AWARD

The Ministry of Labour by its letter No. L-42012/251/2005-IR(CM-II) Central Government dated 14-12-2005 has referred the following point for adjudication :

The point runs as hereunder :—

“Whether the action of the management of National Horticulture Board in terminating the services of Shri Chakkar Bahadur Chand S/o Shri Dan Bahadur Chand w.e.f. 19-4-2004 is legal and justified? If not, to what relief the workman is entitled?”

The workman applicant has filed claim statement. In the claim statement it has been stated that the workman was employed as Waiter on 1-11-1999. He was not given any appointment letter. Payment to him was made on the record of M/s. Anirudh Security Agency. The name of the workman was taken on record of the management on 1-1-2003 and he was posted as Receptionist Guest House Attendant and Canteen Boy.

That the services of the workman were terminated on 19-11-2004 and his wages at that time was Rs. 4055.

That no notice pay and retrenchment compensation was paid to him.

The Management has filed written statement. In the written statement it has been stated that the National Horticulture Board is an autonomous body under the administrative control of Ministry of Agriculture established for the integrated development of horticulture. Its function is largely advisory in nature for the development of horticulture. It has been established to promote and propagate horticulture with a view to provide facilities/consultations to the intending horticulturists and

is not involved in any kind of production or sale. Accordingly in view of the "Predominant nature test" propounded by the Hon'ble Apex Court it is a non-profit making entity is not engaged in any activity called business, trade or manufacture nor is an undertaking analogous to business of trade and therefore in view of the definition of "Industry" as given in Section 2 (J) of the Industrial Dispute Act, 1947, the National Horticulture Board (here in after called NHB for the sake of brevity) can not by any stretch of interpretation be brought within the purview of definition of "industry" and hence the instant dispute not being and "Industrial Dispute" is not maintainable before this Hon'ble Forum is liable to be dismissed in-limine.

That the contract of engagement is the corner stone of the edifice of the alleged "Industrial Dispute". It is submitted that the claimant herein was engaged by Security Agency i.e. M/s. Anirudh Security Agency, Faridabad on contractual basis and was being paid by that agency which in turn was reimbursed by the respondent on monthly basis. The petitioner was engaged through the said Contractor M/s. Anirudh Security Agency, Faridabad w.e.f. 1-11-1999 where the applicant was working as Canteen Boy as per Contract Deed, which was up to 28-10-2003, the control of Canteen was taken in the hands of the Management of the respondent and the applicant was contractually engaged to run the Canteen w.e.f. 1-1-2003. The contractual engagement automatically expired on 19-4-2004 on account of closure of the canteen.

That in view of the above mentioned submissions it, it is quite clear that there is no industrial dispute within the meaning of Section 2 (k) of the Industrial Disputes Act, 1947, and therefore this Hon'ble Court has no jurisdiction over the matter and accordingly the claim is liable to be dismissed.

That without admitting the applicability of the ID Act, 1947, it is worth mentioning that the claimant has not completed 240 days of his service in the year which he was disengaged. In the right of aforestated facts it submitted that the claim of the petitioner is liable to be rejected outright at the stage of admission itself.

That the claim petition of the claimant is beyond limitation and hence time barred accordingly liable to be rejected in-limine itself.

It is denied that there was any irregularity committed by the answering respondent while employing the claimant. It is also denied that no wages were paid to him as the same is not consonance with the true facts. It is submitted that the claimant was an independent contractor w.e.f. 1-1-1999.

It is submitted that the respondent opened the canteen but due to administrative reasons it was closed and its activities were stopped. Consequently the contractual engagement of the petitioner got automatically terminated. It is further submitted that the claimant had not completed 240 days services with the management in the

year when he was disengaged. Rather the petitioner claimant was employed by the M/s. Anirudh Security Agency who was an independent contractor w.e.f. 1-11-1999. Shri Chakkar Bahadur was engaged as contingent paid Canteen Boy w.e.f. 1-1-2003 and since the canteen was closed and its activity is not in operation, he was disengaged.

It is submitted that the respondents never employed the claimant and therefore question either for termination or disengagement does not arise. As already stated there was not even contract of employment between the NHB and the petitioner at any stage. Since the activity for which petitioner Shri Chakkar Bahadur was engaged is no more in operation in the office of NHB, he was disengaged. He was also paid wages for the period he worked in the office of NHB in the capacity of contractual employee.

It is submitted that there being no contract of engagement and hence no employer-employee relation between the claimant and the respondent, there is no question of any termination and therefore no need for any notice arises in the instant case. The notice of closure of the Canteen was affixed at the gate of the Canteen. On the closure of the canteen, the services automatically came to an end and stood disengaged. The rate of wages as alleged is all a matter of record however.

That the canteen not being in existence and the activities of the canteen not being in operation though there is no question of employing the claimant. Therefore the claim of the applicant cannot be sustained. It is submitted that a contractual/temporary employee could not claim to be made permanent on the expiry of his term of engagement. It is further submitted that merely because a temporary employee or a casual wage worker is continued for a time beyond the term of this appointment, he would not be entitled to be absorbed in regular service or made permanent.

It is reiterated that since the canteen was closed for administrative reasons, the contractual services of the petitioner came to an end/stood disengaged automatically on account of closure of Canteen. The provisions of Industrial Disputes Act, 1947 are not applicable and answering respondent is not an Industry. The respondent has not committed any illegality. The petitioner is not entitled to any relief as claimed in the Demand Notice.

The workman applicant has filed rejoinder. In the rejoinder he has reiterated the averments of his claim statement and has denied most of the paras of the written statement. The management has also denied most of the paras of the claim statement.

Evidence of both the parties has been taken.

Heard argument from both the sides and perused the papers on the record.

It was submitted from the side of the workman that he was directly employed by the management. The contractor

is merely a name lender. The workman worked under the control and supervision of the management.

It was submitted from the side of the management that the workman was directly engaged by the contracting agency. He worked for the agency. There was no employer and employee relation between the management and the workman. The workman in his cross-examination has stated as under:—

“I was employed with Anirudh Security Agency who were taken contract with National Horticulture Board. I worked in that Security Agency up to 2003.”

It becomes quite obvious from the statement of the workman in his cross-examination that he was employed with the agency and he worked in that agency up to 2003. From the admission of the workman it becomes established that he was working as an employee of the agency till 2003. The workman has not filed any documentary evidence in this case. His further case is that he was employed directly by the management w.e.f. 1-1-2003 as Guest House Attendant and Canteen Boy and worked up to 18-4-2004. The workman has not filed any documentary evidence in support of his claim. Merely on the assertions in the affidavit it cannot be held proved that the workman was directly engaged by the management. The case of the management is that the workman was engaged through agency on 01-1-2003 to 19-4-2004. The management has also not filed any document on the record. It is the burden of the workman to prove the averments of his claim statement. He has filed no document to show that he was directly engaged by the management and he worked under the control and supervision of the management. The workman has failed to prove the averments of his claim statement. The workman is not entitled to get any relief.

The reference is replied thus :

The action of the management of National Horticulture Board in terminating the services of Shri Chakkar Bahadur Chand S/o Shri Dan Bahadur Chand w.e.f. 19-4-2004 is legal and justified. The workman applicant is not entitled to get any relief as prayed for.

The award is given accordingly.

Dated : 18th February, 2008

#### AWARD

1. By Order No. L-12011/34/97-IR(B-II) dated 14-5-1998 and corrigendums of even number dated 20-7-1998 and 3/5-5-1998 the Central Government in exercise of its power under Section 10(1)(d) and (2A) of the Industrial Disputes Act, 1947 (hereinafter to be referred as the Act) referred the following dispute to this Tribunal for adjudication—

“Whether the action of the management of Andhra Bank, Howrah in deducting the wages of S/Shri Khokan Das, Shankar Naskar and Dhiren Ch. Naskar for 11-9-95 and deducting the salary of Shri Pranab Bandhyapadhyay, Samir Mukherjee, Tapas Chatterjee, Apurba Mitra, Jyotirmoy Bhattacharjee, Md. Fozal Rasul, Tapas Dasgupta and Satya Mukul Maity for 12-9-95 is legal and justified? If not, to what relief the said workmen are entitled?”

2. When the case is called out today, none appears for the workmen although the management is represented by its learned Advocate. Learned Advocate for the management has stated that no one is appearing on behalf of the workmen for the last several dates and from the conduct of the workmen it is clear that they are no longer interested in the matter and the present reference be

disposed of by passing a "No Dispute" Award. It appears from the record that no one is appearing on behalf of the workmen nor any step is taken on their behalf to proceed with the matter since 21-12-2005 inspite of service of several notices upon them. It is accordingly clear that the workmen are no longer interested to proceed with the present dispute under reference.

3. Since the workmen are not interested to proceed with the matter and the management has also prayed for passing a "No Dispute" Award, this Tribunal has no other alternative but to dispose of the present reference by passing a "No Dispute" Award. A "No Dispute" Award is accordingly passed and the present reference is disposed of.

**Short Recital of the Case**

Rashtriya Colliery Mazdoor Congress raised an Industrial Dispute and demanded for restoration/changing the designation of Shri R.R. Sahay of E.D.P. Department (HQ) and to promote him as Technical & Supervisory Grade "A" w.e.f. 2001 with the designation as Input/Output Control Supervisor, keeping in view of the following two discriminations held with Sri Sahay (i) in not changing his cadre from Data Entry Operator cadre to Input/Output Cadre to that of one Sri S.G. Sarkar, Punch Verifier Operator

Grade "C" whose cadre was changed to Input/Output cadre after submission of his graduation certificate some time in 2000 in the light of a tripartite settlement dated 27-9-1995 held between the management and Sri Sarkar in presence of the ALC(C), Dhanbad, irrespective of Sri Sahay who had also submitted his graduation certificate prior to Sri Sarkar in June, 1998, and (ii) in not promoting Sri Sahay in T&S Grade "A", keeping in view of the seniority list of Input/Output cadre published on 30-1-1997 in which the name of Sri R.R. Sahay, appears at Sl. No. 4 (i.e. shown as senior to Sri Om Kumar Singh & Sri Umesh Kumar Singh of serial number 5 & 6 respectively of that list).

After failure of conciliation, Ministry of Labour referred the said Industrial Dispute vide Notification No. L-20012/116/2003-IR(C-I) dated 28-11-2003 to the CGIT No. 2, Dhanbad. The Hon'ble Tribunal registered the said reference as Reference No. 131 of 2003. The term of reference is as follows :

"Whether the demand of the RCMC from the management to BCCL, Hdqrs, Koyla Bhawan for changing the designation of Sri R.R. Sahay Input/Output Control Assistant w.e.f. June, 1998 and to promote him as Tech & Supervisory Grade "A" w.e.f. 2001 with the designation as Input/Output Control Supervisor is justified? If so to what relief is the concerned Workman entitled and from what date?"

During the pendency of the case before the CGIT No. 2, Dhanbad, the case of Sri Sahay was re-examined in the light of opinion dated 15-11-2007 of Sri D.K. Verma the conducting advocate of the case on behalf of the management, whereby & whereunder the advocate has opined that this is a weak case to succeed in the Tribunal as such the management should settle the case through Lok Adalat organized by CGIT level.

Keeping in view of the opinion of Shri D.K. Verma, Advocate and the letter of the Presiding Officer, CGIT No. 2, Dhanbad to settle the weak cases, this case was re-examined by the concerned department.

Accordingly the management as well as the union agreed to settle the aforesaid dispute after approval of the Competent Authority on the following terms and conditions :

#### Terms of Settlement

- (i) That, the management agreed to restore the cadre of the workman concerned as Input/Output cadre.
- (ii) That, the management agreed to promote the workman concerned in Technical & Supervisory Grade "A" w.e.f. 2002 i.e. the date on which Sri Om Kumar Singh & Sri Umesh Kumar Singh were promoted to the post of Input/Output Control Supervisor T&S Grade Input/Output Control Supervisor T & S Grade "A".
- (iii) That, the workman concerned is not entitled to receive any monetary benefit w.e.f. 28-07-2002.

- (iv) That, the workman concerned will get seniority alongwith nontional fixation in Tech. & Supervisory Grade "A" w.e.f. 28-07-2002 (i.e. the date on which Sri Om Kumar Singh & Umesh Kumar Singh were promoted to the post of Input/Output Control Supervisor T&S Grade "A").
- (v) That the concerned workman will not raise any dispute for payment of wages of T&S Grade "A" for the period from 28-07-2002 to the date of issuance of office order in this connection.
- (vi) That, this settlement will not be cited in order cases and this resolves the dispute in to-to.

**AWARD**

The Govt. of India, Ministry of Labour, in exercise of the powers conferred on them under section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012/364/2000 (C-I), dated, the 25th January, 2001.

**SCHEDULE**

"Whether the demand of Janta Mazdoor Sangh to place Sri Ramjee Ram, Security Guard (Trainee) as Security Guard Group 'G' w.e.f. 29-12-1989 is legal and justified? If so, to what relief is the concerned workman entitled?"

2. The case of the concerned workman Ramjee Ram in short is that he is a Security Guard Group-G in Central Workshop Barkakana under CCL. He was initially appointed as Security Guard (Trainee) Cat. I on 28-6-1989. As per cadre scheme and circulars the Security Guards (Trainee) who have gone under training and successfully completed probation period should be regularised/promoted in Security Guard Grade 'G' immediately. He had completed his probation period on 28-12-1989 and he has undergone required training hence he has become eligible for regularisation/promotion to the post of Security Guard Gr. 'G' from 29-12-1989. In spite of fulfilling all the requirements he has been promoted/regularised in Gr. 'G' with effect from 10-5-1993. Thus he is losing seniority for nearly about 3 1/2 years due to laxity on the part of the management. His juniors have got promotion/regularisation earlier to him and he has been put in financial loss. In the seniority list of the Security Guard the name of the concerned workman appears after his many juniors who were appointed later on. Prayer has been made to pass Order/Award for promotion of the concerned workman Ramjee Ram w.e.f. 29-12-1989 as Security Guard Gr. 'G'.

3. From the W.S.-cum-Rejoinder it appears that as per case of the management the concerned workman was appointed on compassionate ground under the provision of NCWA clause 9.4.3. He was placed in Technical and Supervisory Grade-'G' w.e.f. 10-5-93. The union raised the present dispute in the year 2000 after delay of 11 years and hence he is not entitled for any relief. The concerned workman was appointed under special circumstances on compassionate ground. He cannot be equated with other regular employees. As per the cadre scheme the security persons who are in Grade-'H' only are entitled for the scale of Gr. 'G'. After appointment of the concerned workman his particulars and bio-data were sent to the Police for verification. After receipt of Police verification report he was placed in Gr. 'G' which is based on sanctioned vacant post, satisfactory performance report and satisfactory Police verification report. The management received the Police verification report on 24-8-1992. The demand of the concerned workman is not legal and not justified.

4. In the rejoinder portion about para-3 of the W.S. of the workman it has been said that the same is not fully correct. Only those persons are entitled for regularisation in Gr. 'G' who are in Gr. 'H'. About paras 6 to 9 the statement made in W.S. has been said that the same are not correct and the statement made in paras 4 and 5 are not

fully correct. There is no merit in the W.S. Accordingly, the prayer was made to reject the claim of the concerned workman.

5. A rejoinder to the W.S. of the management has been filed and explained as to how the concerned workman is entitled for his regularisation/promotion in Gr. 'G'.

**Points to be decided**

"Whether the demand of Janta Mazdoor Sangh to place Sri Ramjee Ram, Security Guard (Trainee) as Security Guard Group 'G' w.e.f. 29-12-1989 is legal and justified? If so, to what relief is the concerned workman entitled?"

**Finding with Reasons**

6. The concerned workman has been examined as WW-1 on his behalf. The appointment letter has been marked as Ext. W-1. On behalf of the management the witness S. S. Raja has been examined as MW-1 and got marked on proof as Ext. W-2 and W-2/1 (which has already been marked as Ext. W-1 and W-2 the circular dt. 22-1-93 as Ext. W-3, the cadre scheme.

7. The representative of the concerned workman has submitted that the concerned workman ought to have been regularised in Gr. 'G' just after completion of his probation period. But the management did not regularise him in Gr. 'G' and kept mum over the matter. In this situation the management was approached by the concerned workman for his regularisation in Gr. 'G' much earlier but on one pretext or other no regularisation was made and accordingly, the concerned workman is entitled for the relief as prayed for.

8. On the other hand the Ld. Lawyer for the management has vehemently argued that the concerned workman did not raise any objection regarding his regularisation in Gr. 'G'. He raised such dispute after a long period in the year 2000. Beside this he was regularised in Grade-'G' just on receipt of Police verification report and he had been appointed on compassionate ground. Accordingly he is not entitled to get any relief.

9. To appreciate the argument advanced on behalf of the parties, it is desirable to go through the oral as well as documentary evidence available in the record. As per the statement of WW-1 he was appointed as Security Guard (Trainee) on 28-6-89 in Cat. I. His training period was for 6 months. After training he was posted at Central Workshop Barkakana as Security Guard but the management did not regularise him. He was designated as Trainee Security Guard in Cat. I. He submitted representation to the management for his regularisation as Security Guard in Gr. 'G' as per cadre scheme. He submitted his representation prior to 10-5-93 for his regularisation in Security Guard Gr. 'G'. On 10-5-1993 management regularised him on the post of Security Guard Grade-'G'. He was on training for 6 months. But after completion of his training instead of his regularisation in Security Guard Gr. 'G', his case was considered after 4 years. There are instances that

management had regularised Security Guard after completion of 6 months training. But he cannot recollect the names of those workmen at this moment. His claim is justified and he is entitled for the relief as prayed for during cross-examination he has stated that he has got his appointment as Security Guard (T) on compassionate Ground. He has proved his appointment letter. He raised industrial dispute before the ALC(C) Ranchi in the year 2000 as the management refused to offer him Security Guard in Grade-G in spite of his several representations. It is not a fact that regularisation in Grade-G is given only from Grade-H as per NCWA. The other workmen who had got their regularisation as Security Guard in Grade-G did not get their appointment along with him. This is not a fact that those workmen who have got regularisation as Security Guard in Grade-G initially were posted as Security Guard Gr.H.

10. On the other hand the evidence of MW-1 who is working as Personnel Manager in Central Workshop Barkakana is that Ramjiram was appointed on compassionate ground. He had come in Cat.1 (trainee). He was given Grade-G. The person who is appointed the details etc. are verified by Police. The police verification report of the concerned workman was received in August, 1992. After receipt of the report he was given Grade-G. When he was posted in Grade-G he raised the dispute regarding Grade-G from 1989 in the year 2006. The appointment to the post is made in accordance with the recruitment rules. In regard to appointment on compassionate ground rules of recruitment are not followed. He remained on training and after completion of training he is appointed as Cat. 1 Mazdoor. His claim for appointment in Grade-G since 1989 is not justified. During cross-examination when he was shown Ext. W-1 (it appears appointment letter of Ramji Ram) then the witness has said it has been mentioned about the fact of probation for a period of 6 months. The probation period was not extended. The concerned workman was sent for training as Security Guard at Security Training Institute Pandra. He had completed the training successfully. In the case of first promotion the police verification report etc. are seen. He has also proved the circular regarding placement of Security Guard as well as Cadre scheme for security personnel. In response to the question that the workman ought to have been promoted in Grade-G after completing successfully the probation period and training period in accordance with the provision of Cadre Scheme, the witness says that cadre scheme is meant for Security guard Grade-H. He does not know that Jalil Mian, Chatur Prasad, Kaji Mian, Ramkunjani Mahato were appointed in the year 1989 and were regularised in 1990.

11. From the submission made on behalf of the management it appears that the claim of the concerned workman has been denied on the following ground.

- (i) Delay in raising the dispute.
- (ii) Appointment on compassionate ground.

- (iii) Appointment of concerned workman as Cat. 1 Mazdoor.
- (iv) Cadre scheme for security personnel is not applicable.
- (v) Requirement of Police verification report for regularisation in Grade-G only in the case of Security personnel and not as Security Guard trainee personnel.

12. As far as question of delay is concerned this reference has been received on 14-2-2001. It appears from the evidence on record that prior to the reference made by the Govt. of India the dispute was raised before the ALC(C) during the year 2000. As far as oral evidence of the concerned workman is concerned it appears that he had raised the dispute even prior to 1993 and thereafter he was regularised in Grade-G from 10-5-93. There is no document on record to show that the dispute was raised prior to 1993 though the concerned workman during oral evidence stated about several representations filed in this regard. However, the representative of the union has submitted that the dispute was raised much earlier before 1993 and due to such reason he has been given Grade-G from 10-5-1993 instead of 29-12-89 after completion of probation period. He has submitted that when the law and rules provide for regularisation/promotion of concerned workman in Gr.-G as per cadre scheme for Security Personnel issued during the year 1985 (much earlier to the appointment of the concerned workman) question of raising any dispute does not arise. The management is not required to wait for the representation and raising any dispute. The law/rules ought to have been implemented once the concerned workman was found suitable in this regard and had completed probation period successfully which is the case here.

13. As far as cadre scheme for security personnel is concerned workman it appears to have been issued on 16-1-1985 and this fact has not been disputed by the management. However, it appears that it relates to the Security Personnel of Grade-H. This aspect of the matter will further be discussed in the later portion of the judgement. But all it appears that the concerned workman was appointed in the year 1989 and the cadre scheme of the Security Personnel is applicable in case if he satisfied the criteria mentioned therein. From a plain reading of this schedule it does not appear that the concerned workman was required to file any representation/or to raise industrial dispute rather the case of promotion regularisation has to be considered automatically in the light of the cadre scheme for Security Personnel. Beside this the management has not shown any law/rule/circular that there is limitation to raise such dispute. Accordingly I am of the view that the prayer of the concerned workman cannot be rejected merely on the ground that the dispute was at the later stage.

14. Much argument has been advanced that the concerned workman was appointed on compassionate

ground therefore he cannot be equated with regular employee so far the promotion /regularisation in Grade-G is concerned. Beside verbal submission and evidence of MW-1 no rule/law/circular has been placed before this Tribunal by the management to show that the promotion/regularisation matter is different to the employee appointed on compassionate ground. A plain reading of Ext.W-3, it appears that it is applicable to all concern. There is nothing specifically mentioned that the same is not applicable in the case of employees appointed on compassionate ground. Accordingly, I do not find any merit in the submission of the management that the concerned workman is not entitled for promotion /regularisation merely on the ground that he was appointed on compassionate ground.

15. The management has raised objection that the concerned workman was appointed as Cat.I Mazdoor. He was not a Security Personnel in Grade-H. Therefore, cadre scheme for security personnel is not applicable to him. In this context the concerned workman has not brought any documentary evidence to show that he was a Security Personnel in Grade-H. However, it has been submitted that Security Guard (T) Cat.I stands on similar footing of Grade-H and for all the purpose of regularisation of promotion in Grade-G he has to be considered equal to the Security Guard Grade-H and he ought to have been regularised/promoted in accordance with the provision of cadre scheme of Security Personnel. In this context while going through Ext.W-1 it appears that the concerned workman was appointed as Security Guard (T) Cat.I and he was put on

probation for 6 months. From Ext.W-2 it appears that during the year on 22-1-93 the Chief of Security of CCL had written letter to all concern regarding regularisation of security personnel in Grade-G in accordance with the office letter dt. 26-3-91 and cadre scheme dt.10-10-91. In this letter reference of Security Guard in Grade-H and about Security Guard (T) Cat. I has been mentioned. From perusal of this Exhibit it appears that steps were to be taken for regularisation of Security Guard Grade-H as well as Security Guard Gr. (T) Cat.I who have gone under training and successfully completed the probationary period were to be regularised in Grade-G with immediate effect.

16. The representative of the union has explained that the aforesaid letter Ext.W-3 was issued by the Chief of Security as the promotion /regularisation matter was not effectively being taken by the management in accordance with the cadre scheme for security personnel which has not been disputed i.e. about issuance of such letter.

17. From a plain reading of Ext.W-3 it appears that Security Guard Grade-H as well as Security Guard (T) both are to be regularised in Grade-G. Thus it appears that Grade-H Security Guard as well as Security Guard (T) Cat.I who have gone under training and have completed training period successfully are entitled for promotion/regularisation in Grade-G.

18. In the aforesaid context the relevant portion of the Cadre Scheme for Security personnel reads as follows:—

**CADRE SCHEME FOR SECURITY PERSONNEL SECURITY GUARD TO SR. INSPECTOR.**

Sl. No.	Designation	Grade/Scale of pay	Minimum qualification (Educational/Tech.)	Eligibility for promotion	Mode of promotion
1.	Security Guard	Tech.&Sup. Gr.G Rs. 580-16-804	(i) Literate	(i) All security personnel who are presently in Gr. H irrespective of their designation will be screened out. Those who conform to the norms of appointment as Security Guard as mentioned in the Note No. 1 below and are already trained will be placed in Grade 'G'. Those who conform to the norms but are not trained will be sent for training for a period of 3 months and on successful completion of the same will be placed in Gr. 'G'.	DPC/ Interview Selection

19. The relevant portion specifically states about all the Security personnel who are posted in Grade-H irrespective of their designation will be screened out. Considering the contents of Ext. W-2 and W-3 it appears that all Security personnel of Grade-H as well as Security Guard (T) Cat. I are to be screened out and if they satisfy the condition they are to be placed in Grade-G after completion of training period. Accordingly it appears that

though the designation of the concerned workman is Security Guard (T) Cat. I but it appears that cadre scheme for security personnel is applicable for him also.

20. From Ext. W-1 it appears that the concerned workman was to be on probation for a period of 6 months. After expiry of this period and on receipt of satisfactory report about his work and conduct his retention in service for further period will be considered. There is nothing on

record to show that the period of probation of the concerned workman was extended rather the evidence of MW-1 shows that the period of probation of the concerned workman was not extended. From evidence of MW-1 it also appears that the concerned workman had completed the training successfully. In accordance with the cadre scheme of Security Personnel it appears that the concerned workman has satisfied the requirement and it also appears that after such completion of training he ought to have been promoted/regularised in Grade-G.

21. Much argument has been advanced that as per provision the concerned workman was promoted/regularised in Grade-G on receipt of police verification report. In this context para-10 of the appointment letter (Ext. W-1) has been referred which shows that at the time of appointment the concerned workman was asked to furnish character certificate from the person not below the rank of MLA/MP/District Magistrate/Gazetted Officer/Project Officer/ Sr. Personnel Officer of the company and 11(eleven) copies of passport size photographs 3(three) joint photographs under para 9.4.3 duly attested. The concerned workman has submitted that after complying with the provision of para-10 of Ext. W-1, the concerned workman had furnished the required certificate of the competent authority. So the question does not arise to keep the matter pending for promotion/regularisation in Grade-G for want of police verification report. The same may be called for at any stage. But it has nothing to do with regard to the promotion of Grade-G.

22. On behalf of the management nothing has been brought on record to controvert the fact that the required character certificate by the competent authority was not filed by the concerned workman at the time of appointment. No rule/circular/letter by the management has been produced to show that the concerned workman will be regularised in a particular grade only on receipt of police verification report. Normally the police verification report is called and it is received at much later stage and the matter of regularisation/promotion has to be considered from the date of completion of the criteria as mentioned in the cadre scheme, particularly in the circumstances when no any letter/circular/law/rule have been placed before this Tribunal by the management that a person can be regularised in Grade-G only when such report is available.

23. For the reasons stated above it appears that the concerned workman Ramjee Ram is entitled for promotion/regularisation in Grade-G after he had completed probation period and completed the required training in accordance with the cadre scheme for security personnel. However, the said cadre scheme shows that the mode of promotion has to be done by DPC/Interview/Selection. In these circumstances the management will take necessary steps for promotion/regularisation of the concerned workman in Grade-G from the date he had completed probation period and training period i.e. from 29-12-89 as required and other

conditions as required in cadre scheme for security personnel.

24. For the reasons stated above the demand of Janta Mazdoor Sangh to place Ramjee Ram, Security Guard (Trainee) as Security Guard Grade-G with effect from 29-12-89 is legal and justified. He is entitled to be considered for promotion/regularisation in Grade-G following the procedure as stipulated in Cadre Scheme of Security personnel. In the result, the following Award is rendered :—

“The demand of Janta Mazdoor Sangh to place Sri Ramjee Ram, Security Guard (Trainee) as Security Guard group 'G' w.e.f. 29-12-1989 is legal and justified. Consequently he is entitled to be considered for promotion/regularisation in Grade-G following the procedure as stipulated in the cadre scheme of Security personnel.”

The management is directed to implement the Award within three months from the date of its publication in the Gazette of India.

## AWARD

The Ministry of Labour by its letter No. L-12012/11/2005-IR(B-II) Central Government dated 30-5-2005 has referred the following point for adjudication :

The point runs as hereunder :—

“Whether the workman Mahesh Chand, S/o Late Raghubir Singh was in continuous employment in the Punjab and Sind Bank, Hapur Branch, Ghaziabad during the period from 23-11-1987 to 30-5-2003 ? If so whether his termination/disengagement w.e.f. 31-5-2003 without any notice and compensation under Sections 25F, G & H of the Industrial Disputes Act, 1947 is legal and justified and to what relief the concerned workman is entitled to?”

The workman-applicant has filed claim statement. In the claim statement it has been stated that the workman Mahesh Chand S/o Sh. Raghubir Singh was working with the management M/s. Punjab and Sind Bank, Bank House, 21, Rajinder Place, New Delhi and posted last in its branch office Punjab and Sind Bank, Timber Nagar, Garh Road, Hapur, Ghaziabad (UP).

That the workman started his work with the management on 23-11-1987 as a peon and his last drawn wages was a sum of Rs. 4,500/- pm and other benefits.

That the workman was working diligently and honestly and the management had no complaint so far his job concerned.

That the workman was posted at many branches of the above-said M/s. Punjab and Sind Bank. He was working continuously more than 240 days per year, so the workman was entitled to regularization for the post of peon.

That the workman demanded for regularization but the management refused the demand of regularization. The workman has sent many letters to M/s. Punjab and Sind Bank, Bank House, 21, Rajindra Place, New Delhi.

That the workman demanded many times for regularization of services but the management terminated the services of the workman without any notice, charge sheet, without pay and retrenchment compensation. The workman has done his duty very faithfully towards the management and the workman never gave any chance for any complaint.

That the workman filed his claim statement before ALC for adjudication but the management did not take any interest to compromise/settle the matter and the Hon'ble ALC transferred the matter to Government of India, Ministry of Labour. There also the management did not take any interest to compromise/settle the matter.

The matter sent to adjudication for the Presiding Officer, CGIT-cum-Labour Court, Rajindra Bhawan, New Delhi.

Under these circumstances, it is most humbly prayed that the management may be directed to reinstate and

regularize the services of the workman with full back wages and other benefits to the workman in the interest of justice.

The management has filed written statement. In the written statement it has been stated that the workman never worked in Punjab and Sind Bank, Branch Hapur regularly from 23-11-1987 to 31-5-2003.

That the court has no jurisdiction to decide this case.

That the workman has not completed 240 days work in the branch and all those workmen who completed 240 days have been regularized at regular intervals. The brother of the workman Sh. Devender Kumar completed 240 days in a calendar year and he has been given regular appointment.

That the workman was never appointed in the Branch and there is no question of his services being terminated by the bank.

That the workman was called for interview in the years 1992 and 1995 but he had not completed 240 days, so he was not selected for filling up the vacancies.

That the workman was engaged in leave vacancy of the casual and regular workers but he has not worked in any branch office for 240 days in a calendar year or preceding the date of termination of his services. His statement regarding his wages being Rs. 4500/- is altogether incorrect.

The workman has filed rejoinder. In the rejoinder he has reiterated the averments of his claim statement and has denied most of the paras of the written statement. The management has also denied most of the paras of the claim statement.

Evidence of both the parties has been taken.

Heard argument from both the sides and perused the papers on the record.

It was submitted from the side of the workman that he worked continuously in the Hapur Branch of the Punjab and Sind Bank from 23-11-1987 to 30-5-2003. His services were illegally terminated on 31-5-2003. The workman started his work on 23-11-1987 at the wages of Rs. 4500/-. He has worked for more than 240 days continuously per year. He demanded regularization. The management was annoyed and his services were terminated illegally.

It was submitted from the side of the management that the workman has worked intermittently. He never worked continuously for 240 days. He was engaged against leave vacancy as stop gap arrangement.

The workman has filed photocopy of ledger, page B-48 to B-67. This ledger is regarding payment made to the casual labourers. The payments have been made to several workmen. On some pages the name of the workman also appears. This ledger is for casual labourers of the years 2001 to 2002 but payment has been made to Sh. Mahesh Chand intermittently for sometimes. From perusal of this ledger photocopy it also transpires that payments to the other casual labourers has also been made. The name of

Sh. Mahesh Chand appears on only a few pages. It is not established by this document that the workman has worked regularly for one year.

The workman has filed paper No. B-98. From perusal of this document it transpires that the workman has worked in the years 1987, 1988, 1989 & 1990 but in every year he has not worked for more than 100 days at the maximum.

It was submitted from the side of the management that the workman was engaged as casual labour on the basis of additional increase of work. As per the bank's policy the workman who completed 240 days were interviewed in 1992 and 1995. This workman was also called for interview but it was found that he has not worked for 240 days in any of the years whereas his brother Sh. Devender Kumar has been given regular employment as he has completed 240 days. The interview letters issued by the management have been filed on the record thus, it is vividly established that the workman was called for interview on two occasions but he was not given regular employment as he has not completed 240 days work. The other candidates who had completed 240 days work have been given regular appointment. The brother of the workman has also been given appointment as he has performed 240 days work in a year.

The workman has filed photocopy of the ledger for his engagement in 2001 and 2002 but he has hardly worked for more than 100 days in these two years. He has filed certificate of the management regarding his working days of 1987, 1988, 1989 & 1990 but in none of these years he has performed 240 days' work. The bank sent interview letters to all the casual labourers and services of those casual labourers have been regularized who performed 240 days work. The workman has performed 420 days' work from 1987 to 1999. He has not completed 240 days in any calendar year. He has not completed 240 days either in 2001 or 2002.

It is settled law that the burden is on the workman to prove by cogent documentary evidence that he has worked for 240 days in any calendar year or within 12 calendar months preceding the date of his termination of his services.

The averment of his claim and affidavit that he has worked continuously from 1987 to 2003 is absolutely false. He is not entitled to get any relief as prayed for.

The reference is replied thus :

The workman Mahesh Chand S/o Late Raghubir Singh was not in continuous employment in the Punjab and Sind Bank, Hapur Branch, Ghaziabad during the period from 23-11-1987 to 30-5-2003. The workman-applicant is not entitled to any notice pay and retrenchment compensation u/s 25 - F, G & H of the ID Act, 1947 as he has not completed 240 days in any of the years of his engagement or within 12 months from the date of termination of his services.

The award is given accordingly.

#### AWARD

The Government of India in the Ministry of Labour  
in exercise of Powers conferred by Section 7-A read with

sub-section (1) of Section 33-B of the Industrial Dispute Act, 1947 (14 of 1947) have referred the following dispute for adjudication vide their Order No. L-12012/320/1999-IR (B-I), dated 03-03-2003.

“Whether the action of the management of State Bank of India in terminating the services of Shri Susant Kumar Panda, ex-temporary Messenger is justified? If not, what relief the disputant is entitled to?”

2. It is alleged by the workman that he was appointed as a Messenger from 6-11-1986 in the State Bank of India, Dharamgarh Branch under the administrative control of the 1st Party-Management. Having continued in that post for several years continuously he made a representation for his regularization and it was duly recommended by the Branch Manager in the letter dated 10-7-1997 for the permanent absorption. But unfortunately the Management terminated him from 15-4-1999 without assigning any reason thereof. On his raising an Industrial Dispute the Central Government also initially refused to make any reference for which he filed O.J.C. 3656/2000 before the Hon'ble High Court, Orissa. However, the present reference is the outcome of the order of the Hon'ble Court passed in that O.J.C. It is further alleged by the workman that his removal from service not being in accordance with law, he should be reinstated in service with full back wages and other service benefits.

3. The 1st party Management on the other hand has averred that the various stands taken by workman are not correct and that the same suffers from suppression of material facts. According to the Management the workman was engaged intermittently during the period 1-1-1986 to 31-12-1987 as a temporary Peon/Messenger against casual vacancy of regular staff. Like the workman many other persons were also engaged in other branches of the bank. To provide regular employment to these workers a demand was made by the workers federation and accordingly a settlement was reached between the State Bank of India and All India State Bank of India Staff Federation on 17-11-1987 and according to the terms and conditions of the said settlement applications were invited from these categories of workers and they were categorized as A,B,C depending upon the period of their engagement. The disputant was accordingly placed under Category-C. In the meantime several other agreements were entered into with the aforesaid Federation extending the period of operation of the settlement dated 17-11-1987. According to the terms and conditions of the said settlement persons categorized as A,B, C were called upon to face necessary interviews and they were empanelled in their respective wait-list to be absorbed against the existing vacancies and the newly created posts between 31-3-1997. It is further alleged by the Management that on the basis of several circulars issued in tune with the settlement reached with the Federation many such temporary workers were absorbed depending upon the available vacancy position

but the workman in question could not be accommodated for his chances did not come within the cut off date 31-3-1997. As according to the terms of settlement the workman was not to be engaged further beyond that date, he filed O.J.C. 2917/1997 before the Hon'ble High Court claiming his regularization and continued thereafter as the basis of an order passed by the Hon'ble Court in their Misc. Case No. 2320/97 and on the dismissal of his writ petition (O.J.C. 2917/97) on 4-12-1998 he was disengaged permanently from 15-4-1999 on payment of one month's advance pay as a precautioner measure. In the above background it is further contended by the Management that, the workman's continuance up till 15-4-1999, being the outcome of an order of the Hon'ble Court passed in its Misc. Case No. 2320/1997 and his termination from service being the resultant outcome of the agreement with the Federation, his above termination can not be treated as retrenchment and as such he is not entitled for any relief as claimed by him.

4. On the basis of above pleadings of the parties the following issues were framed.

#### ISSUES

1. Whether the workman was appointed as a Messenger by the Management with effect from 6-11-1986?
2. Whether the workman was in continuous employment till the alleged date of termination?
3. Whether the Management is justified in terminating the services of the workman pursuant to the bi-partite/tri-parite settlement and without due compliance of the provisions under section 25 of the Industrial Dispute Act, 1947?
4. If not, what relief the disputant is entitled to?
5. The workman has examined himself in support his case besides producing several other documents marked Ext.-1 to Ext.-7. The Management on the other hand as also examined one of its officers besides producing documents marked as Ext.-A to Ext.-L.

#### FINDINGS

##### ISSUE NO. 1, 2, 3, & 4

6. These issues are taken up together as they are inter-linked. From a common judgement of Orissa High Court passed in O.J.C. 2787/97 and many other cases of 1997 it appears, as contended by the Management, that in order to facilitate regularization of temporary Messengers/workers working in different branch banks of the Management an agreement was reached between the State Bank of India and the Federation on 17-11-1987 and that the said settlement was followed by many other settlement extending the period of the cut off date prescribed under the settlement dated 17-11-1987. It also transpires from the above judgement that pursuant to such settlement interviews of different temporary workers were made and they were empanelled as wait-listed candidates to be

absorbed against permanent vacancies and the vacancies to be created by the Management within the cut-off date expiring on 31-3-1997. It also transpires that when some of the wait-listed candidates could not be absorbed within the cut-off date they used to file several O.J.Cs before the Hon'ble High Court claiming regularization. The workman had also filed one such case bearing No.O.J.C. 2917/1997 for similar relief but admittedly all these cases were dismissed by the Hon'ble Court on the basis of a common judgement passed in O.J.C. 2787/1997. The said judgement which is available on record indicates further that, one panel for temporary employees and another panel for daily wage/casual labourer were prepared on the basis of interview/selection and it was agreed by the Management and the Federation that the modalities about drawing of names from either the panel of temporary workers or the panel of daily wagers shall be decided administratively on circular basis in consultation with the Federation. It is both on record and evidence that persons drawn from these panel at a given ratio were regularized giving due weightage to the reservation principle. Therefore, in these premises it can not be said that the Management should have regularized the empanelled persons serially. In the instant case it is claimed by the disputant during trial that though he was placed in third position in the list he was terminated while some of his juniors were regularized. He has also named some so-called junior persons who have been regularized in service but on comparison of the same it is found that the names mentioned in the Claim Statement are different from those mentioned during the trial. Further, during cross-examination he could not say to which category these persons were belonging. Therefore, in absence of substantial materials it can not be said that persons were junior to the workman. On the other hand the evidence of the Management shows that some of these persons which were subsequently regularized were belonging to the Category-A, while the workman was belonging to Category-C. It is also in the evidence of the Management that as per the settlement and the circulars issued thereon persons belonging to Category-A were to be absorbed first and accordingly the vacancies available in the Berhampur Zone were all filled up but the workman's position being 48 in Category-C he could not be regularized within the cut-off date for want of vacancies. While speaking about one Kunu Bhagat who according to the workman was regularized being his junior, the Management Witness has deposed that the said Kunu Bhagat was belonging to non-Messengerial cadre and therefore, according to the agreement, he was absorbed in the post of Messenger his name being in A-Category of non-Messengerial staff. The documents marked Ext.-L shows that the workman was not empanelled in Category-A, but in Category-C his position was 48 but not 3 as claimed by him. Therefore, under these premises the stand of the workman that ignoring his case his juniors were given permanent appointment does not appear to be true.

7. It is in the record that when the Management decided to terminate those who could not be regularized within the cut-off date the workman and many others filed different writs before the Hon'ble High Court claiming their regularization. It is also on record that, after the aforementioned settlement was reached between the Management and the Federation all the temporary workers and casual workers were asked to submit their Bio Datas detailing therein the period of service they had rendered to the bank and on the basis of their disclosed length of service they were categorized as A, B and C. The workman during cross-examination has admitted to have filed one such Bio Data marked Ext.-A/1 which indicates that in 1986 he had only worked for 24 days while in 1987 he had worked for 159 days as temporary Messengers. Therefore by the time the Management contemplated of disengaging the workman and others, pursuant to the settlement, the workman had not worked continuously for 240 days in the preceding year but on the basis of an order (Ext.-H) passed by the Hon'ble High Court in Misc. Case No. 2320/97 arising out of O.J.C. 2917/97 he was allowed to continue as before instead of facing termination till the disposal of the above O.J.C. Therefore, the subsequent engagement period generated on the basis of Ext.-H being of the nature of "litigious employment" the said period can not be computed while calculating the total working days of the workman. Therefore, when workman had not worked continuously for 240 days by the time the Management thought of terminating him from service, his subsequent disengagement on the basis of the result of his writ can not be termed as illegal termination. Furthermore it has been admitted by the workman that, while disengaging him from job he has paid one month advance pay and according to the Management the said payment was made by the Management to be on the safe side. Under these premises I find no merit in the claim of the workman and accordingly the reference is answered with no relief.

8. Reference is answered accordingly.

## AWARD

1. The Central Government, MQL, New Delhi, vide Notification No. L-12012/16/2005-IR(B-I) dated 3-9-05, has referred the following dispute for adjudication to this Tribunal —

**KYA PRABANDHAN STATE BANK OF INDIA

KO BANK KI NAUKARI ME NIYAMIT NA KIYA

KA ADHIKARI HAI?**

2. A bare perusal of the schedule of reference order would go to reveal that the schedule of reference order is on the point of non regularisation of the service of workman by the management of State Bank of India, Gorakhpur, whereas as per own pleading of the workman as given in para 26 of his claim statement his services have been dispensed with by the management of State Bank of India with effect from 23-09-04 in breach of provisions of sec. 25F, 25G and 25H of Industrial Disputes Act, 1947, and rules made thereunder. Therefore, it stands clear that the terms of reference order and the pleadings of the workman are not in conformity with each other. In view of it the Tribunal do not consider it fit to give other factual part of the case as such exercise would be totally futile in the eye of law as the workman is not going to get any relief as claimed by him. Moreover it is settled position of law that regularisation in the service cannot be claimed by such a worker who is not in the employment of his employer and whose services stands terminated. Unless termination of the employment is set aside by a competent court of law and the worker is directed reinstatement in the employment of his employer, he cannot claim regularisation of his services.

3. From this point of view, the workman cannot be held entitled for any kind of relief as claimed by him unless his termination of service is set aside and he is reinstated in the service of his employer in the same capacity which he occupied at the time of termination of his service.

4. Reference order, therefore, is answered in negative against the workman and in favour of the opposite party.

**AWARD**

The Central Government, Ministry of Labour vide its Order No. L-27011/2/2007-IR(M) dated 3-12-2007 referred the following industrial dispute to this Tribunal for adjudication.

The schedule mentioned in the order is:

"Whether the management of Burn Standard Co. Ltd., is legal and justified in refuting the Salem Mavatta Pattali Thozhir sangam in wage negotiation? Whether the demand of wage revision raised by Salem Mavatta Pattali Thozhir Sangam is legal and justified? If so, to what relief is the workmen entitled to?"

2. After the receipt of Industrial Dispute, this Tribunal has numbered it as ID 84/2007 and issued notices to both sides. After that the Respondent appeared for the first hearing. He has not appeared for the subsequent hearings. Respondent called absent and set ex-parte.

3. In this case, even though notices were served to the petitioner twice. He has not appeared before this Tribunal and the petitioner was set ex-parte. After that Respondent was called for memo of objection and even after 4 adjournments neither the Respondent nor its Advocate appeared before the Court. Respondent had also not filed memo of objection. Hence the Respondent also was set ex-parte.

**Points for determination are:**

(i) Whether the management of Burn Standard Co. Ltd., is legal and justified in refuting the Salem Mavatta Pattali Thozhir Sangam in wage negotiation? Whether the demand of wage revision raised by Salem Mavatta Pattali Thozhir Sangam is legal and justified?

(ii) If so, to what relief is the workmen entitled to?"

**Point No. (i) & (ii)**

4. In the reference, it is mentioned that whether the Respondent's action in refuting petitioner Sangam in wage negotiation is legal and justified and it is mentioned whether the demand of wage revision made by the petitioner Sangam is legal and justified. Therefore, the Petitioner Sangam is to establish that they are entitled to represent the demand for wage revision before the management and they have to further establish that their demand of wage revision is also legal and justified. And if they establish both these facts with satisfactory evidence then the burden shifts on to Respondent that their action in refuting to petitioner Sangam is legal.

5. But both parties have not appeared before this Tribunal to establish their contention and they remained absent and were set ex-parte. Under this averments, this Tribunal has no other go except to declare that no award can be passed in this dispute.

6. Thus, the reference is answered accordingly.

The Ministry of Labour by its letter No. L-29012/66/99 IR(M) Central Government Dated. 9/15-11-1999 has referred the following point for adjudication:

The point runs as hereunder:—

“Whether the action of the management of Silica Sand Mines, Mohabatabad in terminating the services of Sh. Pritam Singh, Mining Mate (Blaster) w.e.f. 19-02-1998 is just and legal? If not, to what relief the workman is entitled.”

Pursuant to negotiations between the parties entered into full and final settlement, the workman has moved an application for withdrawal of his case. He has been paid Rs. 40,000 (Rs. Fourty Thousand Only) in full and final settlement. He appeared before me and his signature was again taken and the signature of his own brother and one witness has also been taken. Both the parties have compromised the matter.

No dispute award is given.

### AWARD

This is a reference made under Section 10 (1) (d) of Industrial Disputes Act regarding demand of union for 20% bonus and ex-gratia payment for the year 1992-93. When the matter came up for evidence, the counsel for the union filed a memo to the effect that the question of regularisation of canteen employees by Cochin Refineries is under consideration of Hon'ble High Court of Kerala in another I.D. (17/2006) and the present claim can be successfully established only after a decision in writ petition aforementioned. Hence the union has no objection in closing the reference without prejudice to the right of the union to raise the dispute after disposal of petition. It means that the union has no dispute for the time being.

In the result, an award is passed finding that there is no subsisting dispute for adjudication and the action of the management is not challenged for the time being and therefore the reference is closed without prejudice to the right of the union to raise the dispute again, if it chooses so, after the disposal of Writ Petition (C) No. 29022/2006 (against I.D. 17/2006). The award will come into force one month after its publication in the Official Gazette.

### AWARD

This is a reference under Section 10(1)(d) of Industrial Disputes Act. The reference is :-

"Whether the action of the management of Kochi Refinery Limited in not maintaining agreed manpower in the Welding Section is right ? If not what is the entitled relief?"

2. Though both sides entered appearance and filed their pleadings, when the matter came up for evidence the union submitted that they are not interested to go on with the dispute and they are not pressing the dispute. Thus there is no existing dispute for adjudication.

In the result, an award is passed finding that the action of the management of Kochi Refinery Limited, is not maintaining agreed manpower in the Welding Section is legal and proper and the union is not entitled for any relief.

#### AWARD

1. The workman Shri Narayan Hawlo Gaude has moved the instant application dt. 22-5-2003 under Section 33-A of the Industrial Dispute Act (hereinafter referred to as the Act). The prayer made therein is for withdrawal of the dismissal order and reinstatement with back wages and continuity of service. The ground for the claim is that Chowgule and Co. Ltd., Chowgule House, Mormugao Harbour, Goa (hereafter referred to as Company) in has violated the mandatory provisions of Section 33(2)(b) of the Act on account of pendency of the Reference CGIT-27 of 1996.

2. The application is being contested by the Company on several grounds taken up by it in its reply dt. 06-8-2003 *inter alia* on the pleas that there is no violation of the provisions of the Section 33(2)(b) of the Act and that the present complainant is now estopped from filing the present complaint on account of dismissal of his earlier complaint. The matter remained pending for one reason or the other. In

view of the legal pleas taken up by the Company, the learned counsel Shri V.V. Pai, for the Complainant moved an application dt. 17-7-2006 with a prayer that the maintainability of the present complaint may be considered first. It is surprising that such an application should have been moved by the Company taking up of the preliminary issue but the Company did not chose for it. Instead, the workman has moved the instant application.

3. The argument advanced by the learned counsel for the parties have been heard and the record is perused.

4. The following points arise for consideration, as prayed for by the learned counsel for the workman.

- (1) Whether Section 33(2)(b) of the Industrial Dispute Act has been violated ?
- (2) Whether the Complainant is now estopped from filing the present complaint ?

5. Point No. 1 : The Present complaint is being admittedly filed for violation of the provisions of the Section 33(2)(b) of the Act on account of pendency of CGIT Ref. No. 27 of 1996. Admittedly, the CGIT No. 27 of 1996 was pending before this Tribunal on the day of moving of the instant complaint under Section 33-A of the Act. The reference was decided vide Award dt. 29-3-2004. This reference was made by the Central Government under clause (d) of sub section 1 of Section 10 of the Industrial Dispute Act 1947. For considering "Whether the action of the Managing director, Chowgule and Company Ltd., Chowgule House, Mormugao-harbour in straight-away discharging from services of Mr. S.S. Nark, Ex-electrician Code No. 1937 as well as the General Secretary of the recognized Chowgule Employees Union w.e.f. 2-11-1995 is just, valid and legal ? If not then, what benefits the workman is entitled to ?"

Vide Award dated 29-3-2004, it was held that dismissal was bad and the workman was reinstated with back wages. It is clear from the perusal of the record that the reference was wholly with respect to the grievances regarding dismissal of the workman namely Mr. S.S. Naik who was working as Electrician with Code No. 1937 and was holding the post of General Secretary of the recognized Chowgule Employee's Union. This cannot be said to be in any stretch of imagination that the dispute was in between all the workmen and the Company, since the reference was only having the subject matter of the dismissal of a specific employee Mr. Nair. It is altogether immaterial that this workman was holding the post of General Secretary. The holding of post of General Secretary of the Union was in his independent capacity. It was not related with the job which he was required to perform as Electrician. The dismissal was made by the Company for a particular workman and not the General Secretary. The fact that the workman happened to be the General Secretary of the Union did not mean that there was dispute in between the workmen as a community and the Company. In this view

of the matter the present workman cannot be said to be concerned in any manner to attract the provisions of the violation of Section 33(2)(b) of the Act. The matter for consideration had come before the Honourable High Court of Orissa in the case of Khagendra Prasad Patra Vs. D.T.M.S.T.S., Koraput and another 1976 LAB I.C. 1260 and the Honourable High Court had held that *the mere fact that the petitioner workman was a member of the Union which had taken up the pending dispute of another workman will not make him a workman "concerned" in the dispute within the meaning of Section 33(1)(a). It is the dispute that the workman has to be concerned with and not only with the parties to the dispute. It is after ascertaining the nature of the pending dispute that the Court can reach the conclusion whether the workman is "concerned" with it or not.* No case law has been submitted by the learned counsel for the workmen to substantiate his arguments that the present workman was concerned in any manner with the pendency of the Ref. No. 27 of 1996. The necessity for compliance of Section 33(2)(b) of the Act was required for the Company only when there was a pending dispute in between the workman as a group and the Company involving the issues relating to general importance. The pendency of a dispute of a particular employee regarding his dismissal cannot be said to be a dispute relating to the workman as a whole. Hence, I conclude that there was no necessity for the Company to follow the mandatory provisions of Section 33(2)(b) of the Act and seek approval of its action regarding the dismissal of the present workman.

5. In this view of the matter the present complaint under Section 33-A of the Act is not maintainable.

6. Point No. 2 : The plea of the Company that the Complainant is estopped from filing the present complaint does not appear to have any force for the obvious reason that the previous complaint filed by the workman under Section 33-A of the Act was got dismissed by him vide application dt. 18-11-2002 wherein the prayer was for withdrawal of the Complaint with liberty to file a fresh complaint. The learned Presiding Officer allowed that application vide order dt. 28-1-2003. The order passed therein runs "*The learned counsel for the Complainant Shri V.V. Pai filed an application seeking permission to withdraw the complaint. The permission granted. Application is allowed.*"

7. The learned counsel for the Company submitted that there was no specific order for granting liberty of filing a fresh complaint. He relied upon a case law AIR 1987 Supreme Court 88 in between Sarguja Transport Service, Petitioner Vs. State Transport Appellate Tribunal, Gwalior and others and submitted that the present complaint is barred by the provisions of the Order XXIII R.1 of Civil P.C. I feel that this ruling is not helpful on the facts and circumstances of the present case in view of the order of the Tribunal quoted above whereby the Tribunal allowed

the application with specific words "Permission granted". Hence, it does not lie in the mouth of the Company to say that present complaint is now barred. It may also be mentioned that the aforesaid complaint was being moved on account of pendency of the reference CGIT-49 of 1995 regarding the dismissal as of two different workmen by the Company to the workmen of the CGIT-27 of 1996. Hence, I conclude that the present application is not barred by Order XXIII R.1 of Civil P.C.

8. In view of the finding on point No. 1 the result is that the present complaint is not maintainable. It is accordingly dismissed.

Hence, it does not lie in the mouth of the Company to say that present complaint is now barred. It may also be mentioned that the aforesaid complaint was being moved on account of pendency of the reference CGIT-49 of 1995 regarding the dismissal as of two different workmen by the Company to the workmen of the CGIT-27 of 1996. Hence, I conclude that the present application is not barred by Order XXIII R.1 of Civil P.C.

B. In view of the finding on point No. 1 the result is that the present complaint is not maintainable. It is accordingly dismissed.
